

LEADERSHIP

15 ANAC members served as expert faculty for the online HIV & Aging modules, providing a standardized body of knowledge to improve the quality of care for people living, aging and thriving with HIV. (2021)

ANAC leaders were key informants in a CDC listening session to discuss member experiences, responses, challenges, needs and engagement during the mpox pandemic along with American Nursing Association, Association of Public Health Nurses and American Association of Nurse Practitioners. (2022)

Member of the Ad Hoc Nursing Nomination Consortium convened by the American Association of Colleges of Nursing which identifies and nominates nursing experts to serve on federal committees, task forces, councils and boards. The consortium co-sponsored and supported **15** nominations of qualified nurse experts to various high level federal positions. (2022)

ENGAGEMENT

403 ANAC2021 conference registrants with **139** first-time attendees including registrants from **14** different countries.

480 ANAC2022 conference registrants with **72** first-time attendees, including registrants from **16** different countries.

2 DEI Fellowships were awarded, providing financial support and year-long mentorship to ANAC student members from historically under-represented racial or ethnic minority groups who demonstrated a commitment to HIV/AIDS care. (2021 and 2022)

More than **100** members serve on **10** committees, including 12 global members.

435 members listed in the ANAC Membership Directory.

26 members received prestigious ANAC awards recognizing their contributions to the field of HIV prevention, care, advocacy and research. (2021 and 2022)

POLICY

Developed ANAC Advocacy Toolkit which includes **10** strategies. (2022)

Launched **3-Year** Policy Agenda. (2022)

Joined with other organizations signing on to **27** letters to Congress and the Administration recommending specific policies and approaches to improve HIV prevention, treatment, research and related issues. (2021 and 2022)

Submitted a summary to the White House Office of National AIDS Policy that included **28** recommendations to support and enhance nursing's roles in ending the HIV epidemic in the U.S. (2021)

Convened 15 members of the ANAC policy committee and other nursing thought leaders who provided commentary to the Office of National AIDS Policy on the National HIV/AIDS Strategy 2022-2025 and the Plan to End the HIV Epidemic. (2022)

EDUCATION

Launched the first four HIV and Aging learning modules. (2022)

Quickly responded to mpox pandemic by hosting webinars and collecting resources. The first webinar held in August 2022 had nearly **500** attendees. (2021 and 2022)

Provided **320+** NCPD hours through **181** educational events.

On-demand webinars were viewed **3,083** times. (2021 and 2022)

RESEARCH

Collaborated with Sigma Theta Tau Nursing to award 2 research grants to ANAC members in clinically-oriented HIV/AIDS research. (2021 and 2022)

1 of **90** organizations and institutions around the country who participate as an Engagement Partner of the NIH's All of Us Research Program. The All of Us Research Program is a historic effort to collect and study data from one million or more people living in the United States. The goal of the program is better health for all of us. (2021 and 2022)

31 members of the ANAC research and DEI committees drafted and submitted commentary on behalf of ANAC as part of a formal Request for Information from the NIH. We submitted recommendations to advance health equity research and strengthen racial equity, diversity and inclusion throughout the NIH enterprise (2021)

Released curated collections on women and HIV, HIV testing, transgender women and World AIDS Day. (2021)

Published special issues in Nursing Science Throughout the HIV Epidemic. (2021)

Published **60** manuscripts by authors from **19** countries. (2022)

Launched on-demand certification process using the National HIV Curriculum.

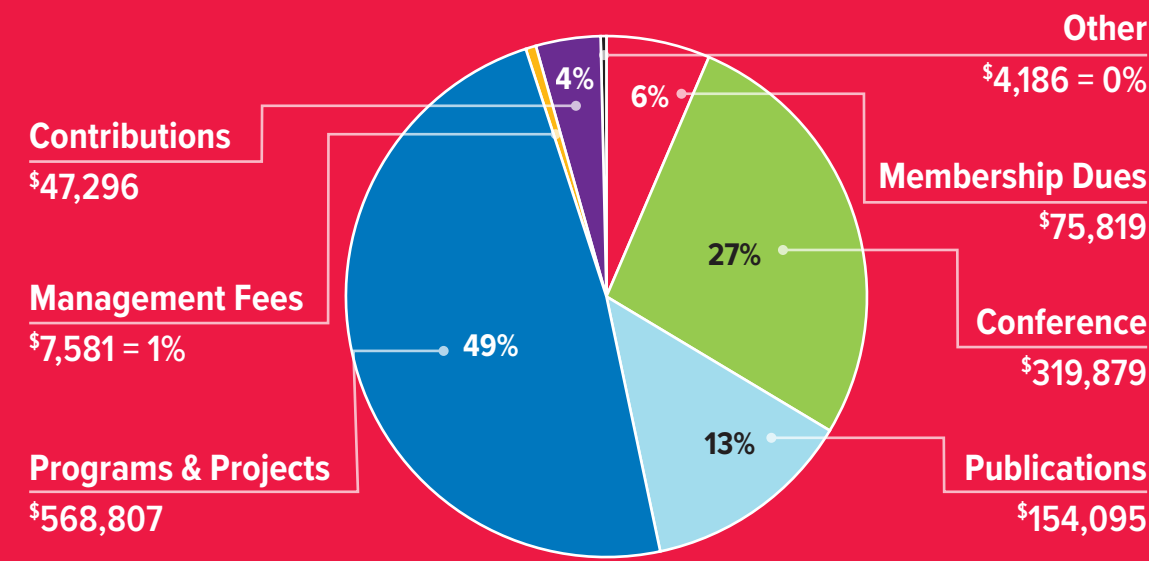

Launched ACLPN nursing certification. (2021)

Recertified **157** ACRN/AACRN, representing **35** states, plus Bermuda and Canada.

Certified **209** ACLPN/ACRN/AACRN representing **36** states, plus Puerto Rico, Philippines, Oman, Hong Kong, Nigeria and Canada. (2021 and 2022)
